

MISTRAL

Common procurement of MISTRAL systems

SELECTED PROJECTS EDIRPA 2024

CALL TITLE:

EDF-EDIRPA-2024-FNLC-AMD

MAXIMUM EU CONTRIBUTION:

60,000,000 €

SHORT DESCRIPTION OF THE PROJECT:

The project aims to support the common procurement of MISTRAL - a VSHORAD (Very Short-Range Air Defence) system for protection against air threats such as combat aircraft, attack helicopters and unmanned air systems. Several EU Member States signed a Framework Arrangement in June 2024 to commonly procure the system and other Member States are interested in joining to strengthen their air and missile defence capabilities.
